Applicant: Philips Lighting Electronics N.A.

Subject: Explanation of Occuswitch Model Numbering Scheme for FCC IDs:
(VBO-LRA1721; VBO-LRM1743; VBO-LRM1760; & VBO-LRD1730).

To whom it may concern:

In regard to the numbering scheme implemented for the Occuswitch models LRA1721/00; LRA1721/01 and LRD1730/00; LRD1730/01, the /00 suffix refers to models with a white colored rocker switch/faceplate assembly, and the /01 suffix refers to models with an almond colored rocker switch/faceplate assembly. All other construction details are identical in regard to /00, /01 assembly for the same model.

Sincerely,

Richard Haring
