Applicant: Philips Lighting Electronics N.A.

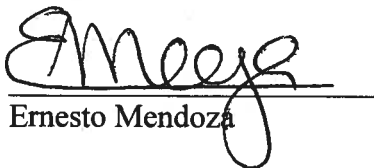

Subject: Starsense SC Controller Notes - FCC ID: VBO-LCN7330; IC ID: 135Y-LCN7330

Dear Ladies and/or Gentlemen:

The Starsense SC Controller LFC7310I is a pre-assembled turn-key cabinet solution intended to control a network of Luminaire based RF Lighting controls. The cabinet is intended to be sold as part of a wireless system to municipalities and roadway authorities for control of roadway lighting, street lighting, parking lots, etc. The SC Controller utilizes the RF Node LCN7330 for wireless communications.

The cabinet will be installed at customer locations by qualified electrical personnel who will mount the panel in a site suitable location and follow proper electrical code guidelines for providing electrical power to the cabinet.

Sincerely

Ernesto Mendoza
